President's Message

Dear Members:

It is with great pleasure to tell you that we have completed the purchase of the house in San Francisco on August 17, 1990. This milestone would not have been possible without your generous donations and support. I was moved by your quick response to our fund raising campaign. On behalf of the KJA Board, I express my thanks to those who contributed generously and supported the purchase of the house.

My special thanks and acknowledgments also go to the many people who helped complete the sale. To mention a few, David Ovadia who was instrumental in negotiating purchase, closing and recording the house; Maurice Darwish, our Real Estate Broker, who donated his commission to the KJA; Joe Rasson who helped in negotiating a reduced Real Estate commission of the other party, and Abe Massuda who helped in securing the funds for the house purchase.

Our thanks go to an anonymous donor who has generously increased the fund for the needy. Any member who is in dire need for help may contact the fund chairman, Mr. Jacob Masliah.

The KJA Board will be meeting in the next few months for the election of a new President and Vice President as well as some new board members. Mr. Elie Moussa is appointed the Chairman of the Election Committee. If you are interested in becoming a board member, please contact Elie.

On behalf of the board, I wish every member of the Karaite Community, here in the U. S. and abroad, a joyous and prosperous new year. May God bring peace to all mankind.

Joe Abel

KARAIMS! IN POLAND?!

Yes, they exist and they even have a bulletin. Here is what Arma, a Polish Karaite woman, wrote when she sent a letter to Mr Mourad ElKodsi. It's KJA's first correspondence with our Eastern Europe coreligionists.

Dear Mr El-Kodsi,

First of all I would like to thank you very much for the book you sent me. It was a great pleasure to read it. Your book is extremely interesting, it is an inexhaustible source of informations about the Egyptian Karaims.

Here in Poland, the Karaite community has no direct relation with other communities in Western Europe, in America. But in the past, news from the community of Egypt were received regularly and published in Karaim periodicals. It was due to Hakham Tobiasz Levi-Babowicz. For many years he was in touch with Polish Karaims. He is still living in our memory.

Now in Poland lives about 100 Karaims. There are more Karaims in the USSR, but these they live in many places. The largest communities live in Crimea, Troki and Vilnius in Lithuania, in Moscow, Leningrad and other towns. Besides Crimea, the only temple that is opened is in Troki. The temple in Vilnius, built in the 20s, is almost in ruin. In Halicz and Luck, Karaims temples were totally destroyed. Please write me in details what do you want to know about our community. I shall try to give you any information you want.

In your kind letter you mentioned about a bulletin that you publish in America. Is it any possibility to receive it? We publish a magazine, it is called "Awazymyz" ("Our Voice"), but it is in Polish. If you can find anybody who knows this language, we will send you it. I hope we will be in touch. I hope to hear from you.

Sincerely yours

Arma Sulimanicz
